SCHEDULE 1

Project 80

\$9,000

This grant is to cover the preparation of a written and an audio-visual presentation to demonstrate the objectives and modusoperandi of the project.

Expenditures are to cover the following items:

Consultants fees, based on an average of \$150 per day	\$5,500
Technical assistance	1,000
Production costs, including photography sound studio, sychronization, slides, preparation, etc.	2,500

Project 80, which is a social action program in downtown Montreal, has attracted a great deal of attention in other parts of the country.

It is proposed to use the presentation to demonstrate to municipalities with comparable problems a possible way to meet social needs.

Project 80 received moderate federal financial support as a demonstration project and it is felt that a presentation as suggested would be an effective way of acquainting other cities of the approaches used and give the widest possible coverage to the project.

The presentation will be prepared in both official languages.

Canadian Camping Association

\$7,701

1. National Standards Workshop \$4,280

The purpose of this grant is to ensure travel and living expenses of some thirty (30) delegates.

The formulation of national standards in camping is considered to be of great significance and the proposed workshop should provide a major tool to bring this about.

2. Regional training meetings and liaison visits by national president. \$3,421

This grant is to enable the Executive to meet regionally with the member associations for training purposes and to allow the president to assist with setting up training sessions with provincial executives. A grant of this type will greatly improve communications between the national body and its branches and, therefore, improve the impact and efficiency of the organization.

Canadian Parks and Recreation Association

\$2,200

This grant is to cover the following items:

- | | | |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| a) | To absorb part of the extra expenses incurred as a result of the move to Ottawa, since the Management Committee, which is Toronto based, had to shift its meeting to Ottawa; this amount will be budgeted for next fiscal year and, therefore, these costs will be absorbed in the future. | \$500 |
| b) | To help defray the cost for simultaneous interpretations at the Canadian Parks and Recreation Annual Conference in Edmonton. | \$1,700 |

This organization, in an effort to become effectively national in its operations, wants to provide translation facilities, primarily for its French speaking members; the Secretary of State Department has agreed to absorb part of the cost for this service; consultation has taken place and we agreed to cover the balance; the organization will take the necessary steps to make an expenditure of this type part of its annual operations, so that this can be budgeted for in the future.

that The Director, The Veterans' Land Act, is committed to the purchase of Lot 3, Section 19, Range 2 West, North Saanich District, Plan 24135, in the Province of British Columbia, containing an area of approximately .75 of an acre;

that Kenneth Bancroft Abbott-Smith, a veteran, requests the Director sell the property to him on terms consistent with those prescribed by sections 11(1) and 73(1) of the Veterans' Land Act notwithstanding he was not certified by the Director to be qualified to participate in the benefits of the Act on or before the 31st of October, 1968, as prescribed by section 31(1) of the Act;

follows:

WHEREAS the Minister of Supply and Services reports as

That the Department of Public Works has reported surplus to the requirements of the Crown the remaining portion of the former Loran Camp complex, situate at the City of Dawson Creek, in the Province of British Columbia, comprising an irregular-shaped parcel of land containing an area of 58.45 acres, more or less, in the South West Quarter of Section 22, Township 78, Range 15, together with a 15-foot sewer easement over adjacent land, 11 duplex-type buildings, an ice rink with small dressing room, and the existing electrical, gas, water and sewage distribution system ;

That subsequent to extensive negotiations, Crown Assets Disposal Corporation has received an offer of \$15,000, for the entire property, including buildings and utilities, from the City of Dawson Creek;

That while this offer is but a fraction of the original cost, the local home market is depressed, as evidenced by the fact that the city has been re-possessing many residential lots for non-payment of taxes;

That the property does not lend itself to residential subdivision as the municipality will not assume responsibility for providing water and sewer services;

That the buildings are in a serious state of disrepair;

That, subject to the approval of the Governor in Council, Crown Assets Disposal Corporation proposes to accept the said offer; and

That it is considered that the sale as aforesaid is in the public interest.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Supply and Services, pursuant to the Surplus Crown Assets Act, is pleased hereby to approve the sale as aforesaid and that, upon provision by the Minister of Supply and Services of a satisfactory description of the land and limited interest in land, Letters Patent do issue transferring title to The City of Dawson Creek, in the Province of British Columbia.

P.C. 1971-2685

WHEREAS the Minister of Transport reports
as follows:

That, to provide for the development of Calgary Satellite Airport, 960 acres of land was acquired by virtue of an expropriation dated January 22, 1969, the said lands comprising a complete farm unit previously owned and operated as such by D.R. MacLauren who subsequently accepted a settlement and executed a release in respect of the aforesaid expropriation;

That, included in the land taken by expropriation was a parcel containing 238 acres more or less, specifically described in annexed Schedule A, which had no foreseeable use in connection with the development of the Airport but was acquired in two fold purpose:

- (a) to avoid a severance problem which would have been created by taking approximately one-quarter of the farm pasture from an operating unit; and
- (b) serious consideration had been given to the tentative exchange of this land for land specifically described in annexed Schedule B from the adjoining farm, this land being critical to the operation of the said Airport;

That, those lands so described in Schedule B are owned by Elbow Ranch Limited, a Capithorne family company, pioneer ranchers in the Calgary area reluctant at any time to dispose of any of their property. The primary measure of value as concerns the two parcels both having a singular highest and best use, that of pasture land lies in their carrying capacity for cattle and location in respect to water and to farm headquarters;

- 2 -

That an expert opinion states that the 238 acres of Crown land will produce pasture sufficient only for the number of cattle presently carried on the privately owned 160 acres, and that Elbow Ranches will be faced with an additional three-quarters of a mile travel for the water supply for the cattle;

That giving careful consideration to the above factors, The Director, Real Estate Branch, Ministry of Transport recommends an exchange of land on an equal basis.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, is pleased hereby, upon the acquisition of a good and valid title to those lands specifically described in annexed Schedule A, the said document to be obtained through the Deputy Minister of Justice, the Minister of Transport be authorized, pursuant to the Public Lands Grants Act, to convey by Letters Patent to Elbow River Ranch Limited, the parcel of Crown land specifically described in Schedule B hereto.

WHEREAS the Solicitor General reports that

- (a) On November 10, 1970, at Beausejour, Manitoba, Lawrence Qualie was convicted of driving while suspended and was fined \$200, and \$3.30 costs;
- (b) The conviction arose when the applicant was formally charged of driving while suspended on the basis of a complete driving record which showed that Mr. Qualie was suspended from driving a motor vehicle from July 29, 1970. Following the conviction a personal review of Mr. Qualie's driving record showed that he had not been notified of the suspension at the time of his arrest, as required by the Manitoba Highway Traffic Act and therefore the suspension was not in effect. Therefore no offence was committed;
- (c) An official of the Motor Vehicle Branch advised the R.C.M.P. that the charge of driving while suspended should not be laid in view of the fact that Mr. Qualie had not been notified;

WHEREAS the Solicitor General recommends that, on the basis that Mr. Qualie was convicted in error, a free pardon should be granted to the applicant in respect of the conviction of November 10, 1970, of driving while suspended pursuant to subsection two of section 683 of the Criminal Code;

P.C. 1971-2826

21 December, 1971

WHEREAS the Solicitor General reports that

- (a) From May 27, 1971, at London, Ontario, one Peter David Gould appeared several times in court at which time all the charges against him were spoken. He was convicted and a warrant outstanding against him was never executed because the accused made all the appearances, except one which he had missed through honest confusion;
- (b) At the time of his arrest, the accused was given bail in the sum of \$500. This bail was posted by a friend, one Normand Bazinet;
- (c) Pursuant to an arrangement with the court, the Crown Attorney at London was informed of the non-appearance of Gould. He did not associate the Gould that defaulted his bail as being the Gould who innocently missed one appearance and thereafter attended properly for his trial. He then followed the prescribed procedure in the Code to proceed to estreat;
- (d) The Crown Attorney and the Director of Public Prosecutions of the Department of Justice of Ontario recommended that the bail money be returned to the surety because there should have been no application for estreat of the bail money in this case since the accused did finally appear for his trial;

AND WHEREAS in view of the particular circumstances of this case and for reasons of apparent hardship it is recommended that the Estreated Bail be wholly remitted.

- 2 -

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL, on the recommendation of the Solicitor General,
is pleased hereby, pursuant to section 685 of the Criminal
Code, to order that \$500, in bail monies ordered estreated
on September 27th, 1971, be wholly remitted to Norman
Bazinet.
